

January 17, 2024

Dear TCU Community,

Welcome Home and welcome to spring semester 2024 at Texas Christian University! I hope you are staying warm and your travel back to TCU was safe.

At the turn of each year, I find myself reflecting on my immense gratitude to be a part of TCU's community of learners, educators and leaders. It's no secret that we have something special here that sets TCU apart from other top national universities. I believe our connected community has created an environment for outstanding academic achievement and our renowned focus on student success, experience and scholarship.

Whether you are new to TCU or have been wearing purple for generations, on behalf of the Horned Frog family, I extend our warmest WELCOME.

After [celebrating our Sesquicentennial](#) all of last year, TCU is beautifully positioned to write the next chapters of our story and ensure the next 150 years are just as groundbreaking, innovative and inspiring. Our ideals are grounded in our mission and

values, and as the world becomes increasingly complex, we will rely on those values and our deep respect for one another as we enter into a year that will present challenges and opportunities. As an academic community, we will continue on our journey together.

Thank you, Horned Frogs, for your dedication, hard work and intellect. Your education, your career and your experience are important to us and we value what you bring to our community. TCU's future is bright because of you.

Lead On and Go Frogs!

Victor J. Boschini, Jr.  
Chancellor
